

Current:

We believe that the Holy Bible as originally written was verbally inspired by God and written without error by Spirit controlled men; and is all truth 2 Timothy 3:16-17; 2 Peter 1:19-21

Suggested Revision:

We believe in the authority and sufficiency of the Holy Bible, consisting of the sixty-six books of the Old and New Testaments; that it was verbally and plenary inspired and is the product of Spirit-controlled men, and therefore is infallible and inerrant in all matters of which it speaks (2 Timothy 3:16, 17; 2 Peter 1:19-21).
